

Investing for Success

**Under this agreement for 2020
Kuraby Special School will receive**

\$45,441*

This funding will be used to

- Develop staff capability and knowledge in meeting the regulatory needs of students to promote engagement.
- Increase the engagement of all students through the implementation of a broad range of pedagogical approaches.

Our initiatives include

- Training to develop staff knowledge in relation to regulatory needs.
- The development of individualised sensory profiles for students that detail specific activities and necessary resources and equipment.
- The delivery and evaluation of evidence-based pedagogies in order to promote student engagement.

Our school will improve student outcomes by

Actions:	Costs
<ul style="list-style-type: none"> • Engaging a consultant Paediatric Occupational Therapist to develop staff knowledge, and lead the development of individualised sensory profiles for students. 	\$15 441
<ul style="list-style-type: none"> • Funding additional teacher aide time to support the implementation of sensory profiles. 	\$20 000
<ul style="list-style-type: none"> • Providing funding and release time for teachers and teacher aides to engage in targeted professional development and collaboration with colleagues. 	\$10 000
<ul style="list-style-type: none"> • TOTAL 	\$45,441
